## WILBERE STAIRS RENOVATION

The long-awaited renovation to the Wilbere stairs that provide access from the Iron Blosam Lodge to the main parking level, UTA bus stop and ski access to the Wilbere chair lift was completed in late fall of 2023. The stairs were renovated with a glycol snow melt heating system. This was a co-operative funding endeavor between the Iron Blosam Owners and Snowbird.

We are all pleased to see how well they turned out and the improvement in safety they provide.
