

35th Annual Meeting Recap

Mother Nature smiled on all of those in attendance of the 35th Annual Meeting of the Iron Blossam Owner's Association on September 25th which proved to be one of the more beautiful fall days this season!

Among those in attendance, owners had the opportunity to meet with Tom Jones, Snowbird's VP of Finance, who presented a review of the Owner's financial status (owners desiring a copy of the Independent Auditor's Financial Report may contact the Iron Blossam Owner Services department to receive a copy); Jim Maxwell, General Manager of the Iron Blossam Lodge, who delivered updates on many great improvements and renovations at the lodge; and Linda Muir, LA Vocal Communications Consultant, who gave an update on current digital communication efforts. She ended by reminding owners to register their email addresses online at www.ironblosam.net in order to receive regular updates about the Iron Blossam.

The meeting was then turned over to the Sandi Merrick, Iron Blossam Board President, to give the President's report which included the Iron Blossam's receipt of the Silver Crown Award from RCI and awards from Interval International for being a Select Resort and for Superior Service. She updated owners on current events and thanked everyone for their loyalty and support for the Association. Sandi recognized Don Betenson, retiring board member, with an award and thanked him for his longtime service to the Iron Blossam. She then reported on the owner voting results whereby Ted Neff was elected to the Board of Directors and Ken Godfrey and Harry Stillwell were re-elected.

She ended the meeting by reminding the Owners that their participation is important and that the Board appreciates the opportunity to hear directly from owners with concerns, positive commentary, and suggestions. Overall, it was a very productive and informative event!
