41st Annual Meeting

Join us for the Iron Blossam's Annual Meeting on September 24, 2016. Registration begins at 9:30am and the meeting will take place from 10am to 12pm.

Oktoberfest/Grand Oktoberfest

Every Saturday and Sunday from August 13 through October 9, 2016, Grand Oktoberfest takes place Saturday, September 3 through Monday, September 5.

Oktoberfest Parking

Snowbird's Annual Oktoberfest Festival event has grown in popularity each year. This year Snowbird has dedicated a portion of their parking area as paid parking. Snowbird is working to develop and helps support several mass transit and public transportation options year round. Parking revenue helps to fund these programs.

Owners arriving for their week are allowed complimentary parking in the Iron Blossam designated parking lots. Please, as the number of parking spaces in our lots is limited we restrict the free Iron Blossam parking areas to Iron Blossam Owners' in residence and Iron Blossam rental guests only. If you are visiting Snowbird outside of your week we ask that you park in the Snowbird fee area lots.

Overflow parking is available in the Snowbird main lot; however, during the weekend events these lots are also heavily used. During the Festival hours of 12pm till 6:30pm owners arriving may find parking limited.

Valet services are provided for those needing assistance with parking.

Please properly display the appropriate Iron Blossam Parking Permit on your rearview mirror.

Iron Blossam is 40+ and still going strong!

Summer is here and we look forward to welcoming back our long-term owners and their families. Summer has grown over the years and we now are welcoming second, third and fourth generations of families as owners. Summer season has become our busiest period of our season and actually surpasses winter in occupancy and nightly visitors. As the Iron Blossam in summer is

such a busy and highly occupied lodge we need to ask everyone's cooperation. Our goal is to insure that everyone enjoys their time at the Iron Blossam. During the summer season we have a significant number of thoughtless acts of vandalism to our facilities, numerous complaints of unsupervised children playing in the Common areas and elevators. We need your assistance to help maintain our peacefulness and also to protect your ownership. Please take a moment prior to your visit to remind all your family and your guest of all ages to assist in respecting your ownership and the rights of others to enjoy the peaceful beauty of Little Cottonwood Canyon and our area. The Iron Blossam remains a special place because of our loyal and caring owners. We can all participate in the care and diligence of maintaining Iron Blossam as we move forward in the future years and continue the Iron Blossam legacy of creating memories of special family times.

Arcade Remodel

The age of pinball and arcade games has passed and we are excited to announce that our arcade remodel is complete. The arcade was an aging facility, where the contractor was reluctant to properly update and maintain the games. It has been completely renovated into a new family facility that we are now calling "The Den". We have strived to create a fun and relaxing area that the whole family can enjoy. Enjoy playing ping-pong, air hockey, foosball, pool or shuffleboard. Play a board game or put together a puzzle on one of the new tables. Relax on the sofas and enjoy the breathtaking view or watch the new larger screen television. We can also close off the back section if needed for a private function. Be sure to check it out during your next stay.

Special Owner Lodging Rates

Need extra space for guests or a little extra time at Snowbird? Owners receive special discounts off Snowbird's rack rates for both winter and summer seasons.

(Packages and other promotional rates are not eligible for the discount). Please call Owner Services at (801) 933-2097 or the Front Desk at (801) 933-2222 extension 1000 for rates and availability.

Check-In/Out

We realize, and love the fact, that our owners are always very eager to arrive and start their vacation at the Iron Blossam.

We want to remind everyone that occupancy of owner units begins at 4:00 p.m. However, the final completion of housekeeping services may continue past that time. Units may only be occupied when housekeeping services are complete. We appreciate your respect for the 10:00 a.m. check out time. Late check outs delay the occupancy for the next weeks owner. Saturdays from 9 to 10:00 a.m. and 4 to 6:00 p.m. are prime check-in/out times and are therefore extremely busy. During these hours, please be aware that our aging elevators, our staff, and our loading areas are most likely extended to capacity. Thank you for your patience during these surges in operating levels.

The Iron Blossam staff provides luggage storage for early arrivals or late departures.

Helpful Hints

Plan ahead! Pre-load your vehicle the night before with unneeded items.

If convenient, depart earlier than our peak check-out time - 9 to 10:00 a.m. If convenient, arrive later than peak check-in time - 4 to 6:00 p.m. Owner occupancy does not begin until 4:00 p.m. - therefore we do not suggest early arrivals. Units may not be occupied until the completion of housekeeping services.

Please do not keep luggage carts for extended periods or overnight.

Important House Rule Reminders

Iron Blossam is always a popular and busy place. Compliance with the House Rules helps all Owners and guests enjoy their valuable vacation time. We want to remind our owners that in addition to being respectful of the Iron Blossam House Rules, it is also very important that your guests are informed of and respect the House Rules. A complete set of House Rules is available on our website, or by contacting Iron Blossam Owner Services. We do want to highlight some key areas of frequent concern.

Service Animals in the Wasatch Front Watershed:

Dogs and other pet animals are not allowed in the four protected watershed canyons of the Wasatch Front. Little Cottonwood Canyon is one of the protected watershed areas. Exceptions to this law include animals that are ADA recognized disability service animals, and search and rescue animals.

A service animal is defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Service animals are working animals, not pets. The work or task a dog has been trained to do must be directly related to the person's disability.

Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.
