SUMMER UPDATE: June 2017

SNOWBIRD RESORT UPDATE

Owner Recreation Activities

Our fun activities include movies, arts, crafts, hiking and snowshoeing to name a few. Look for your weekly recreation schedule at check-in or on our website just prior to your stay.

Check-In/Out

We realize, and love the fact, that our owners are always very eager to arrive and start their vacation at the Iron Blossam.

We want to remind everyone that occupancy of owner units begins at 4:00 p.m. However, the final completion of housekeeping services may continue past that time. Units may only be occupied when housekeeping services are complete. We appreciate your respect for the 10:00 a.m. check out time. Late check outs delay the occupancy for the next weeks owner. Saturdays from 9 to 10:00 a.m. and 4 to 6:00 p.m. are prime check-in/out times and are therefore extremely busy. During these hours, please be aware that our aging elevators, our staff, and our loading areas are most likely extended to capacity. Thank you for your patience during these surges in operating levels.

The Iron Blossam staff provides luggage storage for early arrivals or late departures.

Helpful Hints

Plan ahead! Pre-load your vehicle the night before with unneeded items.

If convenient, depart earlier than our peak check-out time - 9 to 10:00 a.m. If convenient, arrive later than peak check-in time - 4 to 6:00 p.m. Owner occupancy does not begin until 4:00 p.m. - therefore we do not suggest early arrivals. Units may not be occupied until the completion of housekeeping services.

Please do not keep luggage carts for extended periods or overnight.

Iron Blossam is 41!

Summer is fast approaching and we look forward to welcoming back our long-term owners and their families. Summer has grown over the years and we now are welcoming second, third and fourth generations of families as owners. Summer season has become our busiest period of our season and actually surpasses winter in occupancy and nightly visitors. As the Iron Blossam in summer is such a busy and highly occupied

lodge we need to ask everyone's cooperation. Our goal is to insure that everyone enjoys their time at the Iron Blossam. During the summer season we have a significant number of thoughtless acts of vandalism to our facilities, numerous complaints of unsupervised children playing in the Common areas and elevators. We need your assistance to help maintain our peacefulness and also to protect your ownership.

Please take a moment prior to your visit to remind all your family and your guest of all ages to assist in respecting your ownership and the rights of others to enjoy the peaceful beauty of Little Cottonwood Canyon and our area. The Iron Blossam remains a special place because of our loyal and caring owners. We can all participate in the care and diligence of maintaining Iron Blossam as we move forward in the future years and continue the Iron Blossam legacy of creating memories of special family times.

Spa Renovations

We are excited to announce the anticipated Iron Blossam Spa Renovation. Work is scheduled to be complete in May of 2017.

The Spa renovation will allow us the opportunity to repair aging areas of our Spa and enhance the ambiance and style of the area. The planned work includes new glass front windows that will allow more open air access to the outdoor areas and spectacular mountain views. Also planned are new tile flooring, new seating areas and moisture resistance ceiling tiles. Also included in the Spa renovation will be an expanded exercise area that will have extended operating hours, and improved ADA access. We appreciate your understanding and support of our renovations. Special thanks to the Board of Directors for the support and vision to continue to improve and maintain the Iron Blossam. We also want to thank the amazing design team of Ash Studios Designs for their innovated designs. We all look forward to enjoying the improved style and ambiance of our Spa area for all the future weeks to come.

Recycling

We have expanded our recycling efforts to make it more convenient. Each room is now provided a dedicated recycle bin. Look for the blue recycle bins in the closet of your unit.

In cooperation with Salt Lake County these items can be recycled: newspapers, magazines, cardboard, plastic items, aluminum and metal cans. Please note we cannot recycle glass at this time. Please remember to place recycle items in the clear bags only.

Room garbage and recycle pick up is available by calling the Housekeeping Office or the Front Desk. You may also drop off either at the Housekeeping office during their business hours.

Garage and a separate recycle dumpster are located outside of the building near the loading dock area.

Please do not leave garbage in the hallways.

Important House Rule Reminders

Iron Blossam is always a popular and busy place. Compliance with the House Rules helps all Owners and guests enjoy their valuable vacation time. We want to remind our owners that in addition to being respectful of the Iron Blossam House Rules, it is also very important that your guests are informed of and respect the House Rules. A complete set of House Rules is available on our website, or by contacting Iron Blossam Owner Services. We do want to highlight some key areas of frequent concern.

Service Animals in the Wasatch Front Watershed:

Dogs and other pet animals are not allowed in the four protected watershed canyons of the Wasatch Front. Little Cottonwood Canyon is one of the protected watershed areas. Exceptions to this law include animals that are ADA recognized disability service animals, and search and rescue animals.

A service animal is defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Service animals are working animals, not pets. The work or task a dog has been trained to do must be directly related to the person's disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.
