

CANDIDATES FOR THE BOARD OF DIRECTORS 2017

Following are biographies on the board candidates:

John Greene

Dr. Marc Salzberg

JOHN GREENE: I currently own two units at the Iron Blossam. Snowbird and Alta are my home away from home. My family has a cabin in the Albion basin area. I've been skiing at the Snowbird Resort since I was twelve and have had a Snowbird ski pass every year since then.

Professional Occupation:

I currently own a property management company named Cirrus Properties, which has been in business for nineteen years. Cirrus Properties specializes in Homeowners Associations, Condos, Townhomes, Planned Unit Developments and Commercial Properties, throughout the Wasatch Front.

Education:

I have a degree from University of Utah in Business Management with a minor in Organizational Communication.

Professional Experience:

I have a Real Estate Brokers License in the State of Utah and the State of California.

I've had these licenses for over thirty years. I have extensive training and experience in property management, real estate law, code and ethics, financial budgeting, financial structure, sales and marketing.

I am currently on the Board of Directors for a condo association in Orlando Florida called Summer Bay Resort. Currently I serve as the President of the Masters Association which serves five sub-associations.

I also serve as the President of the Villas which is an association under the Master Association. Summer Bay consists of 580 units, 50 individual buildings, 8 swimming pools, a lake, 4 restaurants, 2 club houses and 2 fitness centers, extensive garden areas and common areas. The budget for this association is \$20,000,000.00 a year. I have been on the board of directors for this association for 18 years.

I would appreciate your vote to bring my expertise to continue the legacy of the Iron Blossam Lodge.

DR. MARK SALZBERG: I began skiing Snowbird in 1973 while in Medical School. Prior to that I was a classic "Ski Bum", having lived and worked in Switzerland for 5 years. After that first day at Snowbird I knew I found home and haven't missed a season since.

In 1988 I bought my first unit at the Iron Blossam and now have 7 different units which my children grew up in and which we consider our winter home.

As an Emergency Physician, just retired, I had the privilege of being the Chairman of Emergency Medicine at the Tufts University School of Medicine. This included not only being responsible for care in multiple ER's but for teaching and research. I was ultimately responsible for a \$200,000,000 budget as I became COO of the Baystate Health System Foundation. After 25 years of academia I became an entrepreneur and started an Urgent Care company in NY. After 15 years, private equity swooped in and bought us. Hence my retirement.

Our love of Snowbird is boundless and I'm sure all of you feel the same.

What I may bring to the Board:

My very successful Urgent Care Company was predicated on two basic principles; Excellent Medical Care in a caring and supportive customer based practice combined with fiscal responsibilities. Together, it made us the leading Urgent Care on Long Island (NY). I would like to apply these core principles to the Iron Blossam. Mainly, maintain it's financial integrity along with a 100% customer focus. This along with sound investments in the physical structure will assure us of a great future.

I presently am on the Board of Directors of Stat Health LLC and am a Trustee and Board Member of The Urgent Care Foundation of the Urgent Care Association of America.

Thank you for considering my candidacy!
