Encroachments referred to herein include, but are not limited to, encroachments caused by error in the original construction of any improvement constructed or to be constructed within the Project, by error in the Map, by settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any part thereof.

(b) Easements for Maintenance, Cleaning and Repair. Some of the Common Areas are or may be located within the Units or may be conveniently accessible only through the Units. The Association shall have the irrevocable right to have access to each Unit and to all Common Areas from time to time during such reasonable hours as may be necessary for the maintenance, cleaning, repair, or replacement of any Common Areas or Time Period Unit furnishings located therein or accessible therefrom or for making emergency repairs at any time therein necessary to prevent damage to the Common Areas or to a Unit or Units. In addition, the Association or its agents may enter any Unit when necessary in connection with any cleaning, maintenance, repair, replacement, landscaping, or construction for which the Association is responsible. Such entry shall be made with as little inconvenience to the Owners as practicable, and any damage caused thereby shall be repaired by the Association with funds from the Common Expense Fund.

(c) Right to Ingress, Egress, and Support. Each Owner shall have the right to ingress and egress over, upon, and across the Common Areas as necessary for access to his Unit and to any Limited Common Areas appurtenant to his Unit, and shall have the right to the horizontal, vertical, and lateral support of his Unit.

(d) Association's Right to Use Common Areas. The Association shall have an easement to make such use of the Common Areas as may be necessary or convenient to perform the duties and functions that it is obligated or permitted to perform pursuant to this Declaration, including, without limitation, the right to construct and maintain in the Common Areas, other than Limited Common Areas, facilities for use by Owners generally or by the Association and its agents exclusively.

(e) Easements Deemed Created. All conveyances of Condominiums within the Project hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve such reciprocal easements as are provided herein, even though no specific reference to such easements appears in any such conveyance.

9. Restrictions on Use.

(a) Restrictions on Commercial Units. The Commercial Units within the Project, except as otherwise permitted in writing by the Association, shall be used only as follows:

(i) Permitted Uses. The Commercial Units within the Project may be

used only as restaurants, retail businesses, lounges, business offices, professional offices, or lodging facilities; provided, however, that if the particular use of any Commercial Unit increases the rate of insurance on the Project or any part thereof over what the Association, but for such activity, would pay, the Owner of such Commercial Unit shall be assessed for and shall pay the amount of such increase.

(ii) Patrons. All customers, clients, patrons, and licensees of Owners of Commercial Units shall be permitted to enter upon the Project and shall have a non-exclusive easement across Common Areas for access to such Commercial Units.

(b) Restrictions on Residential and Time Period Units. The Residential and Time Period Units, except as otherwise permitted in writing by the Association, shall be used and occupied only as follows:

(i) Permitted Uses. The Residential and Time Period Units within the Project shall be used exclusively for residential and lodging purposes, such purpose to be confined to Units within the Project.

(ii) Occupancy Restrictions. No Residential and Time Period Unit shall be used to accommodate more persons than it was designed to accommodate comfortably, which is defined herein as no more than four persons in each bedroom, living room, or other sleeping area.

(iii) Commercial Activities Restricted. No Residential or Time Period Unit shall be used for business or commercial activity; provided, however, that nothing in this Subparagraph shall be deemed to prevent (1) Declarant or its duly authorized agent from using any Units owned by Declarant as sales models or property management office, or (2) any Owner or his duly authorized agent from freely renting or leasing his Unit from time to time.

(c) General Restrictions. The Units, Common Areas, and Limited Common Areas, except as otherwise permitted in writing by the Association, shall be used in accordance with the following restrictions:

(i) No Noxious or Offensive Activity. No noxious or offensive activity shall be carried on in or upon any part of the Project nor shall anything be done or placed in or upon any part of the Project which is or may become a nuisance or may cause embarrassment, disturbance, or annoyance to Owners.

(ii) No Hazardous Activities. No activities shall be conducted, nor improvements constructed, in or upon any part of the Project which are or may become unsafe or hazardous to any person or property.

(iii) Restriction on Signs. No signs, flags, or advertising devices of any nature, including, without limitation, commercial, political, informational, or directional signs or devices, shall be erected or maintained on any part of the Project, without the prior inspection and written approval of the Association, except as may be necessary temporarily to caution or warn of danger.

(iv) Restriction on Animals. No animals, birds, fish, or pets shall be kept or allowed to remain on any part of the Project.

(v) Restriction on Window Coverings. The draperies, shades, and other interior window coverings in Units shall present a uniform and pleasant appearance from the outside of the Lodge Building. No draperies, shades, or other interior window coverings shall be installed or employed in any Unit without the prior inspection and approval of the Association.

(vi) No Subdivision. No Unit, Time Period Unit, Common Areas, or portions thereof may be divided or subdivided or a fractional portion thereof sold or conveyed so as to be held in divided ownership.

(vii) No Structural Alterations. No Owner shall, without the prior written consent of the Association, make or permit to be made any structural alteration, improvement, or addition in or to his Unit or to the Common Areas. No Owner shall, without the prior written consent of the Association, do any act that would impair the structural soundness or integrity of the Lodge Building or the safety of property or impair any easement or hereditament appurtenant to the Project.

(viii) No Obstructions. There shall be no obstruction of the Common Areas by any Owner. Owners shall neither store nor leave any of their property in the Common Areas, except with the prior consent of the Association.

(ix) Prohibition of Damage and Certain Activities. Nothing shall be done or kept in any Unit or in the Common Areas or any part thereof which would result in cancellation of the insurance on the Project or any part thereof, nor shall anything be done or kept in any Residential or Time Period unit which would increase the rate of insurance on the Project or any part thereof over what the Association, but for such activity, would pay, without the prior written consent of the Association. Nothing shall be done or kept in any Unit or in the Common Areas or any part thereof which would be in violation of any statute or rule, ordinance, regulation, permit, or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Areas or any part thereof shall be committed by any Owner or guest, lessee, licensee, or invitee of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by him or his guests, lessees, licensees, or invitees.

(x) Rules and Regulations. No Owner shall violate the Rules and Regulations for the use of Commercial Units, Residential Units, Time Period Units, and Common Areas as adopted from time to time by the Association.

(d) Construction Period Exemption. During the course of actual construction of any permitted structures or improvements, the provisions, covenants, conditions, and restrictions contained in this Declaration shall be deemed waived to the extent necessary to permit such construction, provided that during the course of such construction, nothing is done which will result in a violation of any of said provisions, covenants, conditions or restrictions upon completion of construction.

10. The Association.

(a) Membership. Each Owner shall be entitled and required to be a member of the Association; membership shall begin immediately and automatically upon becoming an Owner and shall terminate immediately and automatically upon ceasing to be an Owner. If title to a Condominium is held by more than one person, the membership appurtenant to that Condominium shall be shared by all such persons in the same proportionate interests and by the same type of tenancy in which title to the Condominium is held. An Owner shall be entitled to one membership for each Condominium owned by him. Each membership shall be appurtenant to the Condominium to which it relates and shall be transferred automatically by conveyance of that Condominium. Ownership of a Condominium within the Project cannot be separated from membership in the Association appurtenant thereto, and a transfer, encumbrance, gift, devise, bequest, or other conveyance of a Condominium shall be construed to be a transfer, encumbrance, gift, devise, bequest, or other conveyance, respectively, of the Owner's membership in the Association and rights appurtenant thereto. No person or entity other than an Owner may be a member of the Association, and membership in the Association may not be transferred except in connection with the transfer of a Condominium.

(b) Votes. The number of votes appurtenant to each respective Condominium shall be as shown in Exhibit A attached hereto and by this reference made a part hereof. The number of votes appurtenant to each Condominium as shown in said Exhibit A shall have a permanent character and shall not be altered without the unanimous written consent of all Owners expressed in an amendment to this Declaration duly recorded.

(c) Amplification. The provisions of this Paragraph may be amplified by the Articles of Incorporation and Bylaws of the Association; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the Owners set forth in this Declaration.

11. Certain Rights and Obligations of the Association.

(a) The Common Areas. The Association, subject to the rights and duties of the Owners as set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Areas and all improvements thereon (including the Common Area Furnishings), and shall keep the same in a good, clean, attractive safe, and sanitary condition, order, and repair, provided, however, that each Owner of a Unit, except Owners of Units with respect to which the Association shall own the Maintenance Period Units therein, shall keep the Limited Common Areas, if any, appurtenant to this Unit in a good, clean, safe, sanitary, and attractive condition. The Association shall be responsible for the maintenance and repair of the exterior of the Lodge Building and the grounds, including, but not by way of limitation, painting thereof, repair and replacement of exterior trim and roofs, and maintenance of landscape, walkways, and driveways. The Association shall also be responsible for maintenance, repair, and replacement of Common Areas within the Lodge Building, including, but not by way of limitation, hallways, elevators, utility lines, and all Common Area Furnishings, improvements, or other material located within or used in connection with the Common Areas. The specification of duties of the Association with respect to particular Common Areas shall not be construed to limit its duties with respect to other Common Areas, as set forth in the first sentence of this Subparagraph. All goods and services procured by the Association in performing its responsibilities under this Subparagraph shall be paid for with funds from the Common Expense Fund.

(b) Certain Units. As to all Units with respect to which the Association shall own the Maintenance Period Units therein, the Association shall be responsible for keeping said Units and all Time Period Unit Furnishings therein and Limited Common Areas, if any, appurtenant to such Units in a good, clean, attractive, safe, and sanitary condition, order, and repair. The Association shall be responsible for providing maid service to such Units (on a weekly basis, or on such other basis as may be determined by a majority vote of the Owners of Units entitled to receive such services, such determination to be made at the annual meeting or at a special meeting of such Owners duly called for such purpose in accordance with the provisions of the Bylaws relating to special meetings) and for the maintenance, repair, and replacement of the interiors of such Units and Time Period Unit Furnishings therein, including, but not by way of limitation, cleaning, painting, repairing, and replacing the interior surfaces of walls, doors and windows, and all cupboards, fixtures, appliances, equipment, improvements, materials, and Time Period Unit Furnishings within such Units. All goods and services procured by the Association in performing its responsibilities under this Subparagraph shall be paid for with funds from the Furniture and Maintenance Fund.

(c) Miscellaneous Goods and Services. The Association may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall determine to be necessary or desirable for the proper operation of the Project, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or which it contracts. The Association may obtain and pay for legal

and accounting services necessary or desirable in connection with the operation of the Project or the enforcement of this Declaration. The Association may acquire and pay for out of the Common Expense Fund water, sewer, garbage collection, electrical, gas, and other necessary utility services for the Common Areas (and the Units to the extent not separately metered), and insurance, bonds, and other goods and services common to the Units.

(d) Personal Property. The Association may acquire, hold and dispose of personal property as follows:

(i) Common Property. The Association may acquire and hold tangible and intangible personal property for the use and benefit of all of the Owners and may dispose of such personal property by sale or otherwise. All such personal property, including Common Area Furnishings, shall be paid for out of the Common Expense Fund and all proceeds from the disposition thereof shall be part of such fund.

(ii) Unit Property. The Association may also acquire and hold tangible and intangible personal property for the exclusive use and benefit of Owners of Units with respect to which the Association owns the Maintenance Period Units therein. The Association may dispose of such personal property by sale or otherwise. All such personal property, including Time Period Unit Furnishings, shall be paid for out of the Furniture and Maintenance Fund and all proceeds from the disposition thereof shall be part of such fund.

(e) Rules and Regulations. The Association may make reasonable Rules and Regulations governing the use of the Units, the Time Period Units, and the Common Areas, which Rules and Regulations shall be consistent with the rights and duties established in this Declaration. Such Rules and Regulations may include, without limitation: (i) check in and check out times relative to use of Time Period Units, (ii) assignment of particular portions of storage areas within the Common Areas for exclusive use by Owners of particular units, and (iii) limitations regarding use of the pool and pool area. The Association may take judicial action against any Owner to enforce compliance with such Rules and Regulations or other obligations of Owners arising hereunder, or to obtain damages for non-compliance, all to the fullest extent permitted by law.

(f) Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law, and every other right or privilege reasonably implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

(g) Expenses of the Board of Directors. Members of the Board of Directors shall not receive pay for their services as Directors; provided, however, that bona fide expenses such as expenses for travel, food and lodging, incurred by any Director in attending duly called meetings of the Board of Directors or in performing duties as directed by the Board, shall be paid by the Association from the Common Expense Fund.

(h) Limitation on Association's Liability. The Association shall not be liable for any failure of water service or other service to be obtained and paid for by the Association hereunder, or for injury or damage to person or property caused by the elements or by another Owner or person in the Project, or resulting from electricity, water, rain, snow or ice which may leak or flow from outside or from any parts of the Lodge Building, or from any of its pipes, drains, conduits, appliances, or equipment, or from any other place, unless caused by the gross negligence of the Association. No diminution or abatement of any assessments under this Declaration shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs, maintenance, or improvements to the Project or any part thereof, or from any action taken to comply with any law, ordinance, or orders of a governmental authority.

12. Assessments.

(a) Agreement to Pay Assessment. Declarant, for each Condominium owned by it within the Project, and for and as the owner of the Project and every part thereof, hereby covenants and each Owner of any Condominium by the acceptance of instruments of conveyance and transfer thereof, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other and with the Association to pay the Association all assessments made by the Association for the purposes provided in this Declaration. Such assessments shall be fixed, established, and collected from time to time as provided in this paragraph.

(b) Regular Assessments. The Regular Assessments against all Condominiums within the project shall be based upon advance estimates of cash requirements by the Association to provide for the payment of all estimated expenses arising out of or connected with the maintenance and operation of the Common Areas and furnishing utility services and other common items to the Units; which estimates may include, among other things: expenses of management; taxes and special assessments unless and until Condominiums are separately assessed; premiums for all insurance which the Association is required or permitted to maintain hereunder; repairs and maintenance; wages for Association employees; utility charges; legal and accounting fees; any deficit remaining from a previous period; creation of a reasonable contingency reserve, surplus, and/or sinking fund; and any other expenses and liabilities which may be incurred by the Association for the benefit of all of the Owners or by reason of this Declaration. Such shall constitute the estimated Common Expense, and all funds received from assessments under this Subparagraph 12(b) shall be part of the Common Expense Fund.

(i) Apportionment of Regular Assessments. Expenses attributable to the Common Expense or to the Project as a whole shall be apportioned among and assessed to all Owners in proportion to their respective undivided interests

in the Common Areas. Declarant will be liable for the amount of any assessments against any Condominiums owned by it.

(ii) Notice of Payment of Regular Assessments. Regular Assessments shall be made on a June 1 through May 31 fiscal year basis. The Association shall give written notice to each Owner as to the amount of the Regular Assessment with respect to his Condominium on or before June 15 of each respective year. The Regular Assessments shall be due and payable on or before July 15 of each respective year, or on such other reasonable date or dates thereafter as the Association may designate in writing; provided, however, that the first regular assessment shall be for the balance of the fiscal year remaining after the date hereof. Each Regular Assessment shall bear interest at the maximum legal interest rate from the date it becomes due and payable if not paid by such date.

(iii) Inadequate Funds. In the event that the Common Expense Fund proves inadequate during any fiscal year for whatever reason, including nonpayment of any Owner's assessment, the Association may levy additional assessments in accordance with the procedure set forth in Subparagraph 12(c), except that such assessment need not be approved by the Owners.

(c) Special Assessments for Capital Improvements. In addition to the Regular Assessments authorized by this Paragraph, the Association may levy, at any time and from time to time, upon affirmative vote of at least fifty-one percent (51%) of the total votes of all members of the Association, Special Assessments, payable over such periods as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or for any other expenses incurred or to be incurred as provided in this Declaration. This Subparagraph shall not be construed as an independent source of authority for the Association to incur expenses but shall be construed to prescribe the manner of assessing for expenses authorized by other Paragraphs and Subparagraphs hereof, as appropriate. Any amounts assessed pursuant hereto shall be assessed to Owners in proportion to their respective undivided interests in the Common Areas. Notice in writing of the amount of such Special Assessments and the time for payment thereof shall be given promptly to the Owners, and no payment shall be due less than thirty (30) days after such notice shall have been mailed. A Special Assessment shall bear interest at the maximum legal interest rate from the date it becomes due and payable. All funds received from assessments under this Subparagraph 12(c) shall be part of the Common Expense Fund.

(d) Furniture and Maintenance Assessments. The Furniture and Maintenance Assessment against all Condominiums within the Project with respect to which the Association owns the appurtenant Maintenance Period Units shall be based upon advance estimates of cash requirements by the Association to provide for the payment of all estimated expenses arising out of or connected with the cleaning, maintenance, repair, and replacement of involved Units and Time Period Unit Furnishings therein. Such estimates, the estimated Furniture and Maintenance Expense, shall be comprised of three elements: (1) the estimated cost of providing maid service (on a weekly basis, or on such other basis as may be determined by a majority vote of the Owners of Units entitled under the provisions of this Declaration to receive such services, such determination to be made at a special meeting of such Owners duly called for such purpose in accordance with the provisions of the Bylaws relating to special meetings); (2) fifteen percent (15%) of the estimated market value (present cost of replacement) of all Time Period Unit Furnishings within the Project, and (3) the estimated cost of cleaning, maintaining, painting, and repairing all of the Units in the Project with respect to which the Association owns the appurtenant Maintenance Period Units and all of the Time Period Unit Furnishings therein. The estimated Furniture and Maintenance Expense may also include estimated costs of providing any other services or goods to Condominiums with respect to which the Association owns the appurtenant Maintenance Period Units, and any deficits remaining from previous years. All funds received from assessments under this Subparagraph 12(d) shall be part of the Furniture and Maintenance Fund, and such funds shall be applied or accumulated in a contingency reserve, surplus, and/or sinking fund to be applied exclusively as provided in this Declaration.

(i) Apportionment of Furniture and Maintenance Expenses. Expenses attributable to the Furniture and Maintenance Expense shall be apportioned among and assessed to all Owners of Time Period Units with respect to which the Association owns the appurtenant Maintenance Period Units in the proportion that the total number of such Time Period Units owned by each Owner bears to the total number of Time Period Units with respect to which the Association owns the appurtenant Maintenance Period Units. Declarant shall be liable for all such assessments against completed Condominiums owned by it.

(ii) Notice and Payment of Furniture and Maintenance Expenses. Furniture and Maintenance Assessments shall be made on a June 1 through May 31 fiscal year basis. The Association shall give written notice to each appropriate Owner as to the amount of the Furniture and Maintenance Assessment with respect to his Condominium on or before June 15 of each respective year. The Furniture and Maintenance Assessments shall be due and payable on or before July 15 of each respective year, or on such other reasonable date or dates thereafter as the Association may designate in writing; provided, however, that the first Furniture and Maintenance Assessment shall be for the balance of the fiscal year remaining after the date hereof. Each Furniture and Maintenance Assessment shall bear interest at the maximum legal interest rate from the date it becomes due and payable if not paid by such date.

(iii) Inadequate Funds. In the event that the Furniture and Maintenance Fund proved inadequate during any year for whatever reason, including

nonpayment of any Owner's assessment, the Association may, at any time and from time to time, levy additional assessments, in the proportions set forth in Subparagraph 12(d)(i) and payable over such reasonable periods as the Association may determine. Notice in writing of the amount of such assessment and the time for payment thereof shall be given promptly to each appropriate Owner, and no payment shall be due less than thirty (30) days after such notice shall have been mailed.

(e) Individual Assessments. In addition to other assessments authorized under this Paragraph, the Association may levy against any Owner an Individual Assessment, payable to the Association over such periods as the Association may determine, for the purpose of paying, in whole or in part, the cost of replacing, repairing, cleaning, or otherwise correcting any damage to Units or Common Areas caused by the intentional or negligent act or omission of any such Owner, his family, guests, invitees, or licensees, except for damages arising from normal wear and tear.

(f) No Waiver of Assessments. The failure of the Association, before the expiration of any fiscal year, to fix and/or give notice of the assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of the Owner from the obligation to pay assessments or any installment thereof for that or any subsequent year. However, the date on which payment for such assessments shall become due shall be deferred to a date thirty (30) days after notice thereof shall have been mailed, but in no event sooner than June 1 of the fiscal year to which such assessment relates.

(g) Expenditure of Funds. All funds received hereunder from assessments shall be expended by the Association exclusively for the respective purposes designated in this Declaration.

(h) Lien for Assessments. All sums assessed to Owners of any Condominium within the Project pursuant to the provisions of this Paragraph, together with interest thereon as provided herein, shall be secured by a lien on such Condominium in favor of the Association. To evidence a lien for sums assessed pursuant to this Paragraph, the Association may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Condominium and a description of the condominium. Such a notice shall be signed and acknowledged by the Association and may be recorded in the office of the County Recorder for Salt Lake County, State of Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Association in the same manner in which mortgages on real property may be foreclosed in Utah. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, and the costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any assessments against the Condominium which shall become due during the period of foreclosure. The Association shall have the right and power to bid in at any foreclosure sale, and to hold, lease, mortgage, or convey the subject Condominium.

(i) Personal Obligation of Owner. The amount of any Regular Assessment, Special Assessment, Furniture and Maintenance Assessment, or Individual Assessment against any Condominium shall be the personal obligation of the Owner thereof to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of his Condominium or by waiving any services or amenities provided for in this Declaration.

(j) Statement of Account. Upon payment of a reasonable fee not to exceed \$10.00 and upon written request of any Owner or any Mortgagee, prospective Mortgagee, or prospective purchaser of a Condominium, the Association shall issue a written statement setting forth the amount of the unpaid assessments, if any, with respect to such Condominium, the amount of the current Regular Assessment and Furniture and Maintenance Assessment, and the date such assessments become or became due; credit for advanced payments or prepaid insurance premiums; and such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith.

(k) Amendment of Paragraph. This Paragraph 12 shall not be amended unless the Owners, as reflected on the records of the County Recorder for Salt Lake County, State of Utah, of all Condominiums in the Project unanimously consent and agree to such amendment by instruments duly recorded.

13. Types of Insurance. The Association shall obtain and keep in full force and effect at all times the following insurance coverage provided by companies licensed to do business in the State of Utah:

(a) Fire and Casualty Insurance. The Association shall obtain a policy or policies of insurance on the Project in such amounts as shall provide for replacement of the Units, Time Period Unit Furnishings, Common Areas, and Common Area Furnishings in the event of damage or destruction from the casualty against which such insurance is obtained, which insurance shall be in accordance with coverage customarily maintained by other condominium projects similar in construction, design, and use. Such insurance shall include fire and extended coverage, vandalism and malicious mischief, and such other risks and hazards against which the Association shall deem it appropriate to provide insurance protection. The Association may comply with the above requirements by the purchase of blanket coverage and may elect such "deductible" provisions as in the Association's opinion are consistent with good business practice.

(b) Public Liability and Property Damage Insurance. The Association shall

obtain a broad form of comprehensive liability insurance coverage in such amounts and in such forms as it deems advisable to provide adequate protection. Coverage shall include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance, and other use of the Project.

(c) Workmen's Compensation Insurance. The Association shall obtain workmen's compensation and employer's liability insurance and all other similar insurance with respect to employees of the Association in the amounts and in the forms how or hereafter required by laws.

(d) Fidelity Insurance or Bond. The Association shall obtain fidelity insurance or a bond to cover against dishonesty of members of the Board of Directors, the manager, or employees of the Association, destruction or disappearance of money or securities, and forgery. The insurance or bond for the first year shall be in an amount at least equal to seventy-five percent (75%) of the estimated Common Expense and the estimated Furniture and Maintenance Expense for that year as determined in accordance with Paragraph 12 hereof; and for each year thereafter, said insurance or bond shall be in an amount equal to seventy-five percent (75%) of the total sum collected through the Common Expense Fund and the Furniture and Maintenance Fund during the preceding year.

(e) Additional Coverage. The provisions of this Declaration shall not be construed to limit the power or authority of the Association to obtain and maintain insurance coverage, in addition to any insurance coverage required by this Declaration, in such amounts and in such forms as the Association may deem appropriate from time to time.

14. Form of Insurance.

(a) Casualty Insurance. Casualty insurance shall be carried in a form or forms naming the Association the insured, as trustee for the Owners and for Declarant, whether or not Declarant is an Owner, as their interests may appear, and each policy or policies shall provide a standard, noncontributory mortgagee clause in favor of each Mortgagee which from time to time shall give notice to the Association of such Mortgage. Each policy also shall provide that it cannot be canceled by either the insured or the insurance company until after ten (10) days prior written notice is first given to each Owner, to Declarant, and to each Mortgagee who has requested such notice in writing. The Association shall upon request furnish to each Owner a certificate of coverage, including an identification of such Owner's interest.

(b) Public Liability and Property Damage Insurance. Public liability and property damage insurance shall name the Association, each Owner, and the Association as the insured, whether or not the Association is an Owner, and shall protect each insured against liability for acts of the Association in connection with the ownership, operation, maintenance, or other use of the Project. Each such policy shall provide that it cannot be canceled either by the insured or the insurance company until after ten (10) days written notice to each and all of the insured.

(c) Adjustment. Exclusive authority to adjust losses under policies hereafter in force on the Project shall be vested in the Association.

(d) Contribution. In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with insurance purchased by individual Owners or their mortgagees.

(e) Individual Insurance. Each owner may obtain additional insurance at his own expense over and above coverage provided in policies obtained by the Association; provided, however, that no Owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Association may realize under any insurance policy which the Association may have in force on the Project at any particular time.

(f) Notice of Improvements. Each Owner shall be required to notify the Association of all improvements made by the Owner to his Unit the value of which exceeds One Thousand Dollars (\$1,000.00); provided, however, that this Subparagraph shall not be construed as authorizing any such improvement.

(g) Policy. The Association shall be required to make every effort to secure insurance policies that will provide for the following:

(i) That the insurer shall waive subrogation as to any claims against the Association, the Manager, the Owners, and their respective servants, agents, and guests;

(ii) That the policy or policies on the Project cannot be canceled, invalidated, or suspended on account of the conduct of any one or more individual Owners;

(iii) That the policy or policies on the Project cannot be canceled, invalidated, or suspended on account of the conduct of any director, officer, or employee of the Association without a prior demand in writing that the Association cure the defect; and

(iv) That any "no other insurance" clause in the policy or policies on the Project exclude individual Owners' policies from consideration.

(h) Review of Insurance. The Association shall review annually the coverage

and policy limits of all insurance on the Project and adjust same at its discretion. Such annual review shall include an appraisal of the improvements in the Project by a representative of the insurance carrier or carriers providing the policy or policies on the Project, or such other qualified appraisers as the Association may select.

15. Damage or Destruction.

(a) Association as Attorney in Fact. All of the Owners irrevocably constitute and appoint the Association their true and lawful attorney in fact in their name, place, and stead for the purpose of dealing with the Project upon its damage or destruction as hereinafter provided. Acceptance by any grantee of a deed from the Declarant or from any Owner shall constitute appointment by said grantee of the Association as his attorney in fact as herein provided. As attorney in fact, the Association shall have full and complete authorization, right, and power to make, execute and deliver any contract, deed, or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted.

(b) General Authority of Association. Repair and reconstruction of the improvements as used herein means restoring the Project to substantially the same condition in which it existed prior to damage, with each Unit and the Common Area having substantially the same vertical and horizontal boundaries, Common Area Furnishings, and Time Period Unit Furnishings as before. The proceeds of any insurance collected shall be available to the Association for the purpose of repair or reconstruction, unless the Owners upon the affirmative vote of at least seventy-five percent (75%) of the total votes of all Owners agree not to rebuild within one hundred (100) days after such destruction or damage in accordance with the provisions set forth hereinafter.

(c) Estimate of Costs. As soon as practical after an event causing damage to, or destruction of, any part of the Project, the Association shall obtain complete and reliable estimates of the costs of repair or reconstruction of that part of the Project damaged or destroyed.

(d) Repair or Reconstruction. As soon as practicable after receiving these estimates, the Association shall diligently pursue to completion the repair or reconstruction of that part of the Project damaged or destroyed. The Association may take all necessary or appropriate action to effect repair or reconstruction, as attorney in fact for the Owners, and no consent or other action by any Owner shall be necessary in connection herewith. The Project shall be restored or repaired to substantially the same condition in which it existed prior to the fire or other disaster, with each Unit and the Common Area having the same vertical and horizontal boundaries, Common Area Furnishings, and Time Period Furnishings as before.

(e) Funds for Reconstruction. The proceeds of any insurance collected or insurance maintained by the Association shall be available to the Association for the purpose of repair or reconstruction. If the proceeds of the insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, the Association may levy in advance a special assessment sufficient to provide funds to pay such estimated or actual costs of repair or reconstruction. Such assessment shall be allocated and collected as provided in Subparagraph 12(c) hereof, except that the vote therein specified shall not be necessary. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction.

(f) Disbursement of Funds for Repair or Reconstruction. The insurance proceeds held by the Association and any amounts received from assessments made pursuant to Subparagraph 15(e) hereof shall constitute a fund for the payment of costs of repair and reconstruction and for replacement of Common Area Furnishings and Time Period Unit Furnishings after casualty. It shall be deemed that the first money disbursed in payment for cost of repair or reconstruction or replacement of Common Area Furnishings and Time Period Unit Furnishings shall be made from insurance proceeds; if there is a balance after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Owners in proportion to their percentages of ownership of the Common Areas.

(g) Partition and Distribution. In the event that seventy-five percent (75%) of the Owners agree within one hundred days after destruction of or damage to three-fourths of the Lodge Building not to repair or rebuilding, the Association shall file with the County Recorder for Salt Lake County, State of Utah, a notice setting forth such facts. Upon filing of such notice, the following shall occur:

(i) The property, except Time Period Unit Furnishings and funds in the Furniture and Maintenance Fund, shall be deemed to be owned in common by the Owners;

(ii) The undivided interest in the property owned in common which shall appertain to each Owner shall be the percentage of undivided interest previously owned by such Owner in the Common Areas;

(iii) Any liens affecting any of the Condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in the property;

(iv) The property shall be subject to an action for partition at the suit of any Owner, in which event the net proceeds of any sale resulting from such suit for partition, together with the net proceeds of the insurance on the property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Areas in accordance with Exhibit A hereto, after first paying out of the respective share of each Owner, to the extent sufficient for the

purposes, all liens on the undivided interest in the property owned by such Owner;

(v) The Time Period Unit Furnishings and funds in the Furniture and Maintenance Fund shall be deemed to be owned in common by all Owners of Time Period Units with respect to which the Association owns the appurtenant Maintenance Period Units, and each such Owner shall own an undivided interest therein in the proportion that his appurtenant percent undivided interest in the Common Areas bears to the total of all such Owners' undivided interests in the Common Areas.

(vi) The Time Period Unit Furnishings and funds in the Furniture and Maintenance Fund shall be subject to an action for partition at the suit of any Owner described in Subparagraph 15(g)(v), in which event the net proceeds of any sale resulting from such suit for partition, together with the net proceeds of insurance on the Time Period Unit Furnishings, if any, and funds in the Furniture and Maintenance Fund, if any, shall be considered one fund and shall be divided among all such Owners in the proportion that each such Owner's undivided interest in the Common Areas bears to the total of all such Owners' undivided interests in the Common Areas, after first paying all liens against the Time Period Unit Furnishings.

(h) Sale of Condominium Project. Notwithstanding all other provisions hereof, the Owners may, by an affirmative vote of at least seventy-five percent (75%) of all votes held by all Owners, at a meeting of Owners duly called for such purpose, elect to sell or otherwise dispose of the Project. Such action shall be binding upon all Owners and it shall thereupon become the duty of every Owner to execute and deliver such instruments and to perform all acts in such manner and form as may be necessary to effect such sale. The proceeds of any such sale, except proceeds derived from sale of the Time Period Unit Furnishings, shall be divided among all Owners in proportion to the undivided interest in the Common Areas owned by each Owner in accordance with Exhibit A hereto. The proceeds of any such sale derived from sale of the Time Period Unit Furnishings shall be divided among all Owners described in Subparagraph 15(g)(v) in the proportion that each such Owner's undivided interest in the Common Areas bears to the total of all such Owners' undivided interests in the Common Areas.

16. Consequences of Condemnation. If at any time or times during the continuance of condominium ownership pursuant to this Declaration, all or any part of the Project shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu of or in avoidance thereof, the following provisions shall apply:

(a) Proceeds. All compensation, damages, or other proceeds therefrom, the sum of which is hereinafter called the "Condemnation Award," shall be payable to the Association.

(b) Complete Taking. In the event that the entire Project is taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership pursuant hereto shall terminate and the Condemnation Award shall be divided among all Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Areas in accordance with Exhibit A hereto.

(c) Partial Taking. In the event that less than the entire Project is taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership hereunder shall not terminate. Each Owner shall be entitled to a share of the Condemnation Award to be determined in the following manner: As soon as practicable, the Association shall, reasonably and in good faith, allocate the Condemnation Award between compensation, severance damages, or other proceeds, and shall apportion the amounts so allocated among and pay the same to the Owners as follows:

(i) The total amount allocated to taking of or injury to the Common Areas shall be apportioned among all Owners in proportion to their respective undivided interest in the Common Areas;

(ii) The total amount allocated to severance damages shall be apportioned to those Condominiums which were not taken or condemned;

(iii) The respective amounts allocated to the taking of or injury to a particular Unit shall be apportioned to the particular Unit involved; and

(iv) The total amount allocated to consequential damages and any other takings or injuries shall be apportioned as the Association determines to be equitable in the circumstances. If an allocation of the Condemnation Award is already established in negotiation, judicial decree, or otherwise, then in allocating the Condemnation Award the Association shall employ such allocation to the extent it is relevant and applicable.

(v) Distribution of apportioned proceeds shall be made by checks payable jointly to the respective Owners and to their respective mortgagees, as applicable.

(d) Reorganization. In the event a partial taking results in the taking of a complete Unit, the Owner thereof automatically shall cease to be a member of the Association. Thereafter the Association shall reallocate the ownership, voting rights, and assessment ratio in accordance with the Condominium Act.

(e) Reconstruction and Repair. Any reconstruction and repair necessitated by

condemnation shall be governed by the procedures specified herein in cases of Damage or Destruction.

17. Compliance with Declaration and Bylaws.

(a) Compliance. Each Owner shall comply with the provisions of this Declaration, the Articles of Incorporation and Bylaws of the Association, Rules and Regulations promulgated by the Association, and the decisions and resolutions of the Association adopted pursuant thereto, as the same may be lawfully amended from time to time. Failure to comply with any of the same shall be grounds for an action to recover sums due and for damages or injunctive relief or both, maintainable by the Association or, in a proper case, by an aggrieved Owner.

(b) Enforcement and Remedies. The obligations, provisions, covenants, restrictions, and conditions contained in this Declaration or any Supplemental or Amended Declaration with respect to the Association or Condominiums within the Project shall be enforceable by Declarant or by any Owner of a Condominium within the Project, subject to this Declaration, by a proceeding for a prohibitive or mandatory injunction. The obligations, provisions, covenants, restrictions, and conditions contained in this Declaration or any Supplemental or Amended Declaration with respect to a person or entity or property of a person or entity other than the Association or Declarant shall be enforceable by Declarant or the Association by a proceeding for a prohibitive or mandatory injunction or by a suit or action to recover damages or to recover any amount due or unpaid.

18. Registration of Mailing Address. Each Owner shall register from time to time with the Association his current mailing address and all notices or demands intended to be served upon any Owner may be sent by first class U.S. mail, postage prepaid, addressed to the name of the Owner at such registered mailing address, or, if no address has been registered, to the unit of such Owner. All notices or demands intended to be served upon the Association may be sent by first class U.S. Mail, postage prepaid, addressed to the Association at its offices at Snowbird, Utah, or to such other address as the Association may hereafter furnish to the Owners in writing. Any notice or demand referred to in this Declaration shall be deemed given when deposited in the U.S. Mail in the form provided for in this Paragraph.

19. Interpretation.

(a) Intent and Purpose. The provisions of this Declaration and any Supplemental or Amended Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a Condominium Project. Failure to enforce any provision, restriction, covenant, or condition in this Declaration or in any Supplemental or Amended Declaration shall not operate as a waiver of any such provision, restriction, covenant, or condition or of any other provisions, restrictions, covenants, or conditions.

(b) Construction. The provisions of this Declaration shall be in addition and supplemental to the Condominium Act and to all other provisions of law. Wherever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders. The headings appearing at the beginning of the paragraphs of this Declaration are only for convenience of reference and are not intended to described, interpret, define, or

otherwise affect the content, meaning, or intent of this Declaration or any paragraph, subparagraph, or provision hereof. The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion hereof shall not affect the validity or enforceability of any other provision hereof.

20. Audit. Any Owner may at any reasonable time, upon appointment, and at his own expense cause an audit or inspection to be made of the books and records maintained by the Association. The Association, at the expense of the Common Expense Fund, shall obtain an audit, by a certified public accounting firm, of all books and records pertaining to the Project at no greater than annual intervals and furnish copies thereof to the Owners.

21. Amendment. Except as otherwise provided herein, this Declaration may be amended by the consent of Owners holding fifty-one percent (51%) of the total votes in the Association present in person or by proxy at any meeting of the Association the notice of which contained in the proposed agenda a notice of the proposed amendment, which amendment shall be evidenced by instruments duly recorded in the office of the County Recorder for Salt Lake County, State of Utah. Any amendment shall affirmatively state that the required vote has been obtained and such vote shall be certified by the Board of Directors which shall sign such amendment.

22. Effective Date. This Amended and Restated Declaration shall take effect upon recording. (Recorded in the office of the County Recorder for Salt Lake County, State of Utah, on the 4th day of September, 1991, as Entry No. 5121828 in Book 6353, at Page 295).

23. Agent for Service. The agent for service of process under the Condominium Act shall be LeRoy Lindeman, President of the Association, whose address is Iron Blossam Lodge, Little Cottonwood Canyon Road, Snowbird, Utah 84092. The agent for service of process shall always be the President of the Association.

24. Owner's Obligations. All obligations of an Owner under and by virtue of the provisions contained in this Declaration shall continue, notwithstanding that he may have leased or rented said interest as provided herein; but the Owner of a Condominium within the Project shall have no obligation for expenses or other obligations accruing after he conveys such Condominium.

25. Certification of Required Consent. The Board of Directors hereby certifies that the consent of the Owners to this Amended and Restated Declaration required by Section 21 of the Original Declaration has been obtained.

Section 2. **Special Meetings.** Special meetings of the Members may be called by the President, by a majority of the Board of Directors, or upon written request of Members holding not less than thirty percent (30%) of the total votes of the Association.

Section 3. **Registered Address.** Each Member shall register with the Association his current mailing address for purpose of notices hereunder. Such registered address may be changed from time to time by notice in writing to the Association.

Section 4. **Notice of Meetings.** Written notice and a proposed agenda of each meeting of the Members shall be given by, or at the direction of the Secretary or person authorized to call the meeting, by mailing a copy of such notice and proposed agenda, postage prepaid, at least twenty-one (21) days before such meeting to each Member entitled to vote thereat, addressed to such Member at his registered address or to the Unit of such Member if no address has been registered. Such notice shall specify the place, day, and hour of the meeting and in the case of special meetings, the purpose of the meeting.

Section 5. **Quorum.** At any meeting of the Members, the presence of Members holding, or holders of proxies entitled to cast fifteen percent (15%) of the total votes of the Association shall constitute a quorum. BOARD OF DIRECTORS

Section 1. **Number.** The affairs of this Association shall be managed by a Board of seven (7) Directors; provided, however, that such Board of Directors may enter into such management agreement or agreements with third persons as it may deem advisable.

Section 2. **Term.** At each annual meeting of the Association, the Members shall elect for three year terms the appropriate number of Directors to fill all vacancies created by expiring terms of Directors. Commencing with persons elected in 1991, no Director shall serve more than nine (9) consecutive years. The terms of Directors shall be staggered so that no more than three (3) Directors' terms shall expire in any given year. The Board may adjust terms of service of Directors to be elected in 1991 in order to maintain staggered terms.

Section 3. **Membership Necessary.** All Directors shall be Members of the Association. The Board of Directors may set reasonable qualifications for serving on the Board, to include but not be limited to the requirement that no person may stand for election or serve on the Board who is not current in all Association obligations, such as assessments under the Declaration.

Section 4. **Removal and Resignation.** Any Director may resign at any time by giving written notice to the Board of Directors, and any Director who without cause misses more than two consecutive meetings of the Board shall be deemed to have tendered his resignation and upon acceptance by the Board, such position shall be declared vacant. Any Director may be removed, with or without cause, by a majority vote of the Members of the Association. In the event of death, resignation, or removal of any Director his successor may be selected by the remaining Members of the Board and if so selected, such successor shall serve the unexpired term of his predecessor. If the Board fails to select a successor, a vacancy on the Board shall be filled by election at the next annual meeting and the successor then elected shall serve the remaining term of the Director he replaced.

Section 5. **Compensation.** No Director shall receive compensation for any service he may render to the Association as a Director. However, any Director may be reimbursed for his annual expenses incurred in the performance of his duties as a Director and may receive payment for services rendered for the Association other than in his capacity as a Director.

Section 6. **Action Without Meeting.** The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all Directors. Any action so approved shall have the same effect as though taken at a duly called meeting of the Directors.

ARTICLE V

NOMINATION AND ELECTION OF DIRECTORS

Section 1. **Nomination.** Nomination for election by the Members to the Board of Directors shall be made by a Nominating Committee. Nominations may also be made from the floor at the annual meeting of Members. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors prior to each annual meeting of the Members, to serve from the close of such annual meeting until the close of the next annual meeting and such appointment shall be announced at each annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Such nominations shall be made solely from among Members.

Section 2. **Election.** Election to the Board of Directors shall be by secret written ballots. At such election the Members and proxy holders may cast, in respect to each vacancy to be filled, as many votes as they are entitled to exercise under the provisions of the Declaration.
